Onsite Gathering Room Setups & Tent-Shaded Outdoor Assembly

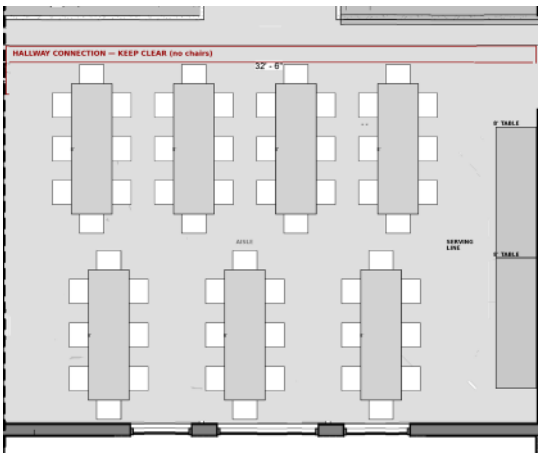

Both our second and third floors have a 32’ by 20’ gathering area which can be configured as group meeting space. With your group occupying most or all of a floor, adding an adjacent gathering space as a formal meeting area is possible. Over 50 attendees can meet on the same floor as your living units. While we have full kitchens in each unit, catering for breakfast or lunch is practical with planning. Two 55” screens are mounted in each gathering area. We can supply folding tables and chairs to suit your needs.

Meeting / Theater Setup

Theater / meeting-style: 56 folding chairs facing a podium, split by a center aisle, with a two-table serving line. Hallway area stays clear with minimal traffic since attendees occupy the floor.

With cooperation this space can be flipped in minutes to host training in theatre setup.
